

# Benton County "No-Spray" Signing Guidelines

Not to Scale  
February 1996

"No-Spray" sign is placed on the property line at the end of the no-spray limits. Arrow on the sign points away from the road to signify resume spraying. Sign faces oncoming traffic.

Note: Shaded area in ditchline denotes area of spray application. Generally, no application is made beyond (outside) of the bottom of the ditchline.

"No-Spray" sign is placed on the property line at the beginning of the no-spray limits. Arrow on sign points toward the road to signify halt spraying. Sign faces oncoming traffic.
