

# Map of Restrictions on Oversize & Overweight Vehicles and Combinations

Department of Public Works  
(541) 766 6821

## LEGEND

- Paved Road
  - Gravel Road
  - Forest Service Road - Separate permit is required  
Contact ODF - Tel: 541-929-9155
  - BLM Road - Separate permit is required  
Contact Contact BLM - Tel: 503-315-5988
  - Normal Usage Routes  
Contact each road district or private owner for road restrictions.  
Legal weight is 40 tons. All truck trailer combinations are restricted to 75 feet in overall length
  - OD loads approved for eastbound routes only on Llewellyn Rd. Westbound OD loads use Greenberry Rd.
  - Length and Width Restrictions -  
Loads greater than 10' wide require 2 pilots  
Loads greater than 50' long require 2 pilots
  - High Vehicle Route -  
Loads greater than 15' wide require traffic plan  
Loads over 14'-6" high require height pole  
Loads over 17' high are prohibited
  - Corridor Restricted to Legal Loads Only (40T max) - Heavier loads require Benton County approval  
Alternative Routes: Coon Rd, Nichols Rd, Greenberry Rd, Alpine Rd
  - Weight Restricted Roads with Posted Total Gross Vehicle Weight In Tons
  - Routes preapproved for extended weight permit loads (OR-CTP) to 105,500lbs & 75' total length.  
State or Federal Jurisdictional Roadways - Contact the appropriate agency for applicable road restrictions
  - Bridges with Height Restrictions (feet - inches)
  - Approved for legal loads (Extended weights require Benton County review)
  - Bridges restricted to legal axle weights, and 40 tons
  - Overdimensional loads NTE 25 mph
  - Closed Bridges
  - Bridges with posted weight restrictions (tons)
  - Loads over 95' must stop traffic using certified flaggers
  - City Limits - contact each city for applicable road restrictions and permit information
- State Highways - Contact ODOT Motor Carrier Transportation Division Permit Unit for Information at 1-503-373-0000.

Preapproved for Table 2 extended weight permits (Up to 105,500lbs & 75' long)

**Notice:**  
Extended weight operation on County roads requires review & approval by Benton County Public Works (except preapproved routes as shown).
